Our farm is half way between Groveton and Lancaster, NH, technically in Northumberland. It is easiest to find our house from Lancaster.

From the South (Whitefield) **or from east** (Jefferson) you just drive straight through downtown Lancaster and you will come to the rotary junction of Rt 2 and Rt 3 in Lancaster. Take the first right on Rt 3 towards Groveton.

or

If you are coming **from the West in Vermont** on Rt 2 towards Lancaster, NH. There will be rotary junction is less than a mile after the bridge over the Connecticut River. Circle part way around the rotary and head towards Groveton on Rt. 3.

From Rotary: Go towards Groveton on **Rt 3**. **Stay on this for less than a mile!** You will drive by McDonalds on the left. Keep going a short way and look on the right for a relatively empty lot with some U-hauls on one side and boats on the other. This is on the corner of Page Hill Road. **Turn right on Page Hill Road.**

Follow Page Hill Road for around four miles until you can't go on it anymore. **Turn left at the "T" onto Lost Nation Road.** Drive one mile. Our driveway is on the left hand side. You will not see our house from the road, but you will see three mailboxes on the left. Go a little farther and you will see our **Heartsong Farm sign**. Just beyond the sign is our driveway, which follows a brook down to our old farmhouse. Welcome!

Call if you have any questions. 603-636-2286 is the farm phone

We look forward to your arrival!

From up North Get on Rt 3 to Groveton and drive through town and over the bridge over the river. Turn left onto Rt 110 **and don't go very far**. The very first road on the right will be Lost Nation Road (called Winter St when you first turn). Follow Lost Nation Road for about 4 miles and look for our Heartsong Farm sign on the right-hand side.
