

Camping and Lodging Near the Farm

We aim to be as accommodating as we can when people come to the farm for one of our classes. Setting up a tent to camp in the orchards and woods can be a great part of the experience. Two outhouses are available for what needs to be done. Drinking water is available but cooking facilities are not. Arrangements need to be made if desiring to camp the evening before a class starts (just ask) but even then we ask you not arrive until after 5 PM. We prefer that no one expect to camp an additional evening after a class weekend comes to a close.

Understandably, some of you may want to spring for a real bed with private facilities. Here are several places to stay (all within 5 to 15 miles of the farm) with some descriptive comments:

- [Stark Village Inn](#): This quaint bed'n'breakfast lies along the banks of the Little Ammonoosuc River by the covered bridge in Stark. Room rates will pleasantly surprise! (603) 636-2644
- [Applebrook Inn](#): The Presidential Range of the White Mountains provide the panoramic setting for this Victorian inn, admittedly the furthest from the farm. (603) 586-7713
- [Jefferson Inn](#): Expansive mountain views and spectacular sunsets may be seen from the wraparound porch. Stylish place for your significant other to hang out. (603) 586-7998
- [Mountain View Grand](#): One of the old grand hotels of the North Country, recently refurbished with all sorts of club amenities. Approximately 14 miles from the farm. (603) 837-2100
- [Cabot Inn & Suites](#): Located on Route 2 on the other side of Lancaster, with an indoor pool and fitness center. (603) 788-3346
- [Coos Motor Inn](#): A modern style motel, two stories, located in downtown Lancaster, just six miles from the farm. (603) 788-3079
- [Mountain Lake RV Park](#): The right choice for a family stay, with a playground, pool, and lakeside setting, for those car camping with a tent or an RV. (603) 788-4509
- [The Lancaster Motel](#): 1950s era motel, clean, friendly lodging right in the heart of nearby Lancaster. (603) 788-4921
- [Down Home Motel](#): The most utilitarian choice and the closest at 4 miles from the farm. We include this only if you can't find a reasonably-priced room elsewhere. Phone number not listed.
